

Product News Issue 1 - 2014

New product: Shell Helix Ultra SN 0W-20

Due to Helix Horizon we have a new product in our Helix portfolio named Shell Helix Ultra SN 0W-20 in 1*209L (previously known as Helix Ultra AJ 0W-20).

Shell Helix Ultra SN 0W-20 is a ultra low viscosity fully synthetic engine oil for passenger cars demanding a 0W-20 viscosity. This engine oil is particularly recommended in small engines equipped with start/stop function. Recommended in small gasoline engines. And recommended for: Mitsubishi Colt (ClearTec engine); Toyota Urban Cruiser; KIA Picanto; Honda Jazz (Engine i-VTEC).

Helix Ultra SN provides superior protection at low temperatures and is designed to protect engines in inner city cars, which rarely get to full operating temperature.

Materialinformation:

Name	Materialnumber	Description
Shell Helix Ultra SN 0W-20	550040284	1*209L

If in doubt, you can find lubricating recommendations on Shell Lubematch or scanning the OR code below.
